

# THE WEEK AT Chesterton

## Dear Parents and Carers,

I cannot believe that half term is next week. This half term has gone particularly fast and the 6 weeks have passed in a flash. I have been very impressed with the progress that the children have made and their continued dedication to their learning.

The Year 6 and Year 2 children have now completed their SATs but they still have lots more to learn before moving to either secondary school or

Year 3. We are all looking forward to the next half term which will start on Monday 4th June. I hope that you all have a wonderful half term break. I am looking forward to hearing from the children about their half term adventures when they return.

Best wishes,

Miss Smith

## General Data Protection Regulations (GDPR):

As I am sure you have heard on the news, a new privacy law is being introduced this year in the UK. As a result, we are publishing a new privacy notice with the aim of making it easier for you and your child to understand how we handle personal information. The privacy notice can be accessed [here](#) via the Policies section of the school website and a paper copy can be picked up from the School Office. If you have any questions on this, please feel free to speak with us or email [dpo@wandlelearningtrust.org.uk](mailto:dpo@wandlelearningtrust.org.uk)

## Class of the Week

1R

For showing such a huge improvement in their addition and subtraction skills. It's been a tricky few weeks but we have shown so much resilience and hard work! Miss Ryall is so proud of you! Well done!

### Appointments during school hours

Please remember to make any doctor, dentist or other appointments for your child outside of the school hours to avoid disruptions to their learning.

### Packed Lunches

Please ensure that all packed lunches are brought in with your child each morning, rather than dropping the packed lunch into reception throughout the morning.

### Letters to parents

If you think you may have missed any letters that have been sent home in your child's book bag, please take a look at the parent section of the website where you will find copies of all the letters sent home each week.

## Musical Moment of the week

Choir were delighted to perform at Battersea Place this week in an afternoon of song organised by our Governor Rowena Shaw. After weeks of preparing and with the excitement building, the children were eager to perform to a crowd and were thrilled to be so well-received by such a welcoming audience. We are so proud of the way the children performed with pride and, as a member of the audience commented, 'sang from the heart'. Following the performance, Battersea Place and the audience donated a staggering £1110 to Chesterton. We wish to offer our sincere thanks for this amazing generosity and making Chesterton Choir feel so welcome.

## Dinner Money

Please ensure dinner money is paid one week in advance. It is the school's policy that yourchild(ren)'s account must be clear or in credit.

**Thank you.**

## Spanish Snippet

This week the Year 3s and 4s entertained KS1 in the singing assembly with their renditions of Spanish songs during a Spanish X Factor competition. The Year 4s sang about different weather while the Year 3 sang about months of the year. The KS1 children really enjoyed the performance and class 3C won the best overall performance.

We would also like to recommend the free 'Circus Spanish for Kids Beginners' app.

Our Spanish phrase for the week is:

¿Cómo estás?

Co-mo est-as

How are you?

# Royal Wedding

The children had a fantastic time on Friday celebrating the royal wedding. During the morning children took part in fun activities where they got to design invites, menus and calculate party costs. In the afternoon children joined up with another year group to take part in a fun filled street party. What fun!

**Jambo!** Year 6 are very proud to announce that this years production is The Lion King. If anyone has any African materials or anything that you think might be useful then please bring them in to Miss Menzies! Asante sana!

## Chesterton Pop-Up Book Shop

The pop-up book shop opened on Monday with a ribbon cutting ceremony. We welcomed our first eager customers and during the week every child visited the bookshop clutching their special Chesterton book token before choosing one free book to take home each. There were so many books to choose from and the children enjoyed browsing before making their selection.

The book shop was manned by volunteers from Years 5 and 6 who did a wonderful job showing customers around the shop, exchanging the book tokens for books, sticking in name stickers and generally keeping the shop looking tidy and inviting.

This was Chesterton's very first pop-up book shop, made possible by the generous donation from the Children's Book Project. You can find out more about their work here: <http://childrensbookproject.co.uk/>

## Zig Zag Lines....

Yellow zig zag road markings are placed to show that the area must be kept clear to allow an unrestricted view for approaching drivers, cyclists or children wanting to cross the road. We politely ask parents **not to wait or park** on these lines for the safety of all the children at the school. It may take a few extra minutes to park up safely, but it helps ensure the safety of all the children by reducing congestion and enabling visibility.

## Reminder....

A small reminder to all parents and carers that Chesterton is a healthy school and this means that any snacks given to the children throughout the day, for break or before club should be a healthy snack, as it is the children's right to a healthy diet. We would thank parents for their support on this.
